

## AFFORDABLE MANAGEMENT SYSTEMS (ISO) CERTIFICATION,

**“NOW EVERY ORGANIZATION CAN BE CERTIFIED”**

**NOTIFICATION**

**A RECENT** survey carried out has shown the economic benefits of certification. Certification is no longer a mere luxury, it is a requirement for customers when evaluating suppliers / partners and going global.

**AJA Malaysia** has introduced an affordable ISO certification fees (as low as **RM2,500\***) to encourage more SME to achieve the prestigious ISO Certification.

We also urge organization to take advantage of the various training grants (SME Corp, HRDF etc) provided and available to assist your organization to develop the human capital required in establishing, maintaining and improving your organization's management system needs.

**AJA Malaysia** have played an important role in assisting SME, SMI etc in achieving various management systems certification which are recognised locally and internationally. We would pleased to also assist your organisation's needs.

Contact us for more information, we look forward to hear from you soon.
